MARCOS BESSA - MODEL DESIGNER

New elements

We knew how iconic Ollivanders™ is in the Harry Potter storyline, so we developed a brand-new LEGO element especially for this set: a little case for LEGO wands. There are ten of them in the model.

What I'm most proud of

I love how faithful the final design is to the architectural details in the films. You can barely see some of these buildings zooming past your screen, but we tracked down different photographs from the sets – some of them from nearly 20 years ago – to make sure everything is spot on.

Big set, big fan

As creative lead for LEGO® Harry Potter™, I don't design a lot of sets directly. Being the model designer for this model gave me the opportunity to go back to my roots as a designer. And it's Diagon Alley™! I'm a huge Harry Potter fan, and every fan has dreamed of walking through it one day. It's also the biggest LEGO set I've designed so far.

My Hogwarts™ house

I asked the Sorting Hat™ to put me in Gryffindor™, but I turned out to be a Ravenclaw™. And I've embraced it!

DJORDJE DJORDJEVIC - GRAPHIC DESIGNER

My favorite part

Working on Weasley's Wizard Wheezes, because of the sheer amount of wackiness inside that shop. Making the little packages for things like Dungbombs or Puking Pastilles – that was the most fun I had working with the interiors.

My biggest challenge

We started off with only four shops, and through the process of discussing the scenes and locations we agreed to scale down the buildings in order to add more locations to the set. That process of expanding the set while keeping the original amount of details is what I'm most proud of. It was a beautiful process of collaboration. Similarly, we ended up with way more characters than we intended to initially, which is great for the fans.

My Hogwarts house

I'm definitely a Gryffindor.

MARCOS BESSA

CONCEPTEUR DU MODÈLE

Un grand ensemble pour un grand fan

En tant que responsable de la création pour LEGO® Harry Potter™, je ne conçois pas beaucoup d'ensembles de façon directe. Le fait d'avoir conçu ce modèle m'a permis de revenir à mes racines en tant que concepteur. Et c'est le Chemin de Traversée™ ! Je suis un grand fan de Harry Potter et tous les fans ont rêvé de le fouler un jour. C'est aussi le plus grand ensemble LEGO que j'ai jamais conçu.

Nouveaux éléments

Nous savions à quel point la boutique Chez Ollivander était emblématique dans l'histoire de Harry Potter, donc nous avons développé un tout nouvel élément LEGO pour cet ensemble : un petit étui pour les baguettes magiques LEGO. Le modèle en comporte dix.

Ce dont je suis le plus fier

J'aime que la conception finale soit fidèle aux détails architecturaux des films. Certains de ces bâtiments défilent si vite à l'écran qu'on les voit à peine, mais nous avons observé des photographies des plateaux, certaines datant de près de 20 ans, pour nous assurer que tout était correct.

Ma Maison Poudlard

J'ai demandé au Choixpeau magique de m'envoyer à Gryffondor, mais je me suis retrouvé à Serdaïgle. Et je l'assume pleinement !

DISEÑADOR DEL MODELO

Gran set, gran fan

Como director creativo de la línea LEGO® Harry Potter™, no tengo muchas oportunidades de diseñar un set directamente. Encargarme del diseño de este modelo me permitió volver a mis raíces como diseñador. ¡Y es el Callejón Diagon! Soy un gran fan de Harry Potter, y cualquier fan sueña con recorrerlo algún día. También es el set LEGO más grande que he diseñado hasta hoy.

Nuevos elementos

Sabíamos lo importante que es Ollivanders™ en la historia de Harry Potter, así que decidimos desarrollar un nuevo elemento LEGO expresamente para este set: una pequeña caja para varitas LEGO. El modelo incluye diez de ellas.

De qué estoy más orgulloso

Me encanta lo fiel que es el diseño final a los detalles arquitectónicos de las películas. Algunos de estos edificios casi no se pueden ver cuando pasan por la pantalla, pero localizamos varias fotografías de los decorados (algunas de hace casi 20 años) para asegurarnos de que todo fuera perfecto.

Mi Casa de Hogwarts™

Le pedí al Sombrero Seleccionador que me pusiera en Gryffindor™, pero resultó que soy un Ravenclaw™. ¡Y lo acepté!

DJORDJE DJORDJEVIC

GRAPHISTE PRINCIPAL

Le moment que j'ai préféré

Travailler sur la boutique Farces pour sorciers facétieux, en raison du nombre d'objets loufoques qu'elle contient. L'emballage de certains petits objets, comme les bombabouses ou les pastilles de Gerbe, c'est vraiment ce qui m'a le plus amusé lorsque je travaillais en intérieur.

Mon plus grand défi

Nous avons commencé avec quatre boutiques seulement, puis au fil de nos discussions sur les scènes et les lieux, nous avons décidé de réduire l'échelle des bâtiments afin d'ajouter davantage de lieux. Ce dont je suis le plus fier, c'est d'avoir réussi à développer l'ensemble tout en conservant tous les détails d'origine. Cela a été un magnifique processus de collaboration. De même façon, nous avons terminé avec beaucoup plus de personnages que prévu, ce qui est formidable pour les fans.

Ma Maison Poudlard

Je suis vraiment un Gryffondor.

DISEÑADOR GRÁFICO

Mi parte favorita

Trabajar en Sortilegios Weasley, por la gran cantidad de disparates que hay dentro de esa tienda. Hacer paquetitos para cosas como las bombas apesadas o las pastillas vomitivas fue lo más divertido que he hecho al trabajar con interiores.

El mayor desafío

Al principio solo teníamos cuatro tiendas, pero, como resultado del proceso de análisis de las escenas y los decorados, decidimos reducir la escala de los modelos para agregar más lugares al set. Ese trabajo de expansión del set sin perder el nivel de detalle original es lo que más me enorgullece. Fue un bonito ejercicio de colaboración. Sucedió lo mismo con los personajes: acabamos teniendo muchos más de los que pensábamos incluir al principio, lo cual es genial para los fans.

Mi Casa de Hogwarts

Definitivamente, soy un Gryffindor.
