LEGO® Builder

Escapade dans une ruelle médiévale

🛡️ Avez-vous déjà imaginé à quoi pouvait ressembler la vie en dehors des murs du château classique LEGO® ? Ce set vous invite à voyager dans le temps et à visiter une place de marché médiéval animée non loin du château. Faites la connaissance des talentueux artisans et participez à la vie locale en prenant part aux divertissements, aux réjouissances et aux trésors cachés dans les moindres recoins de cette ville.

*Le marché abrite
l'Auberge des Haches
brisées, une tour de
guet, une fromagerie,
un atelier de charpentier
et une ferme. Ouvrez les
maisons pour observez les
activités à l'intérieur !*

*Les artisans et les
villageois échangent
des marchandises, des
services et peut-être
quelques commérages
autour du vieil arbre
sur la place. N'hésitez
pas à participer aux
conversations tout
en construisant et en
explorant le lieu.*

Visite du village de Felsa

Le village attire une diversité colorée d'artisans créatifs. Du bétail au foin, en passant par les fromages faits maison et les chaises décorées, ils fournissent au village et au château de la nourriture délicieuse, des divertissements, des matériaux de construction et des accessoires d'intérieur. Un garde des Chevaliers du Lion veille à la sécurité du village et des avis de recherche sur l'arbre mettent en garde contre les vagabonds rebelles et les charlatans déguisés en moutons. Globalement, il s'agit d'un endroit paisible où les gens s'entendent bien et s'entraident.

Une journée dans la vie de...

À la fin d'une longue journée de travail, les courageux villageois aiment se réunir autour d'un verre bien mérité et d'un repas solide et copieux à l'Auberge des Haches brisées. Ils peuvent jouer du luth à tour de rôle ou se défier dans une partie de dames. (La rumeur veut que le percepteur d'impôts de la reine soit un adversaire redoutable, mais il triche peut-être aussi un peu.)

Inspiré par l'histoire de LEGO®

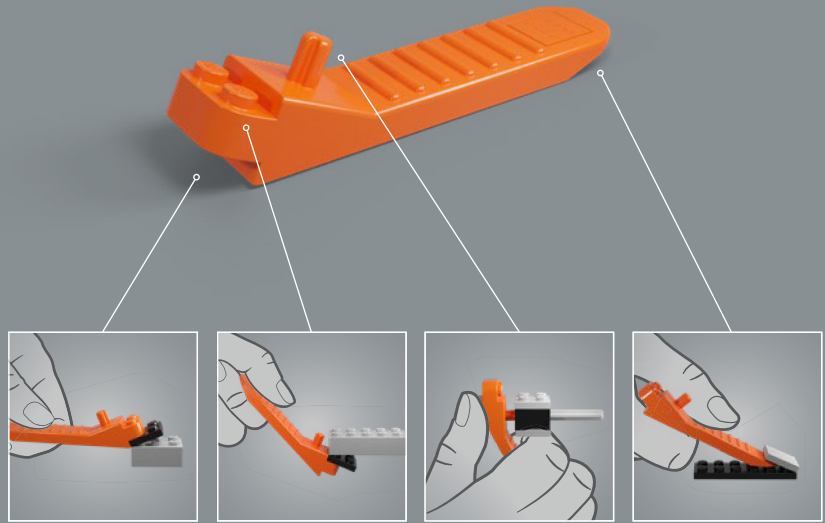

Le set LEGO® Le village médiéval (10193) est sorti en 2009 pour la plus grande joie des fans du monde entier. Les bâtiments détaillés à charnières, les célèbres animaux et les minifigures charismatiques ont inspiré des histoires pittoresques et inventives aux constructeurs de tous âges. Avec ce set, les histoires et la captivante expérience de construction vont encore un peu plus loin, grâce à une flexibilité et des scénarios d'action renforcés.

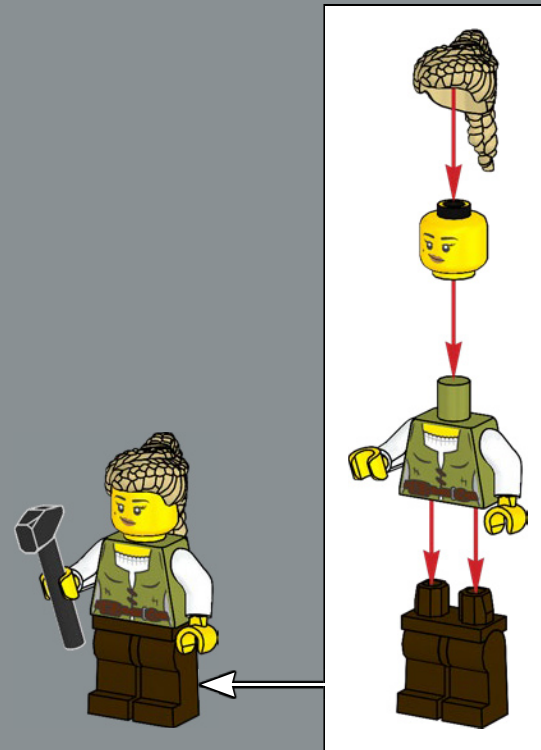

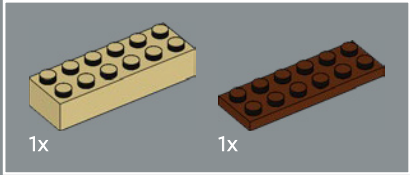

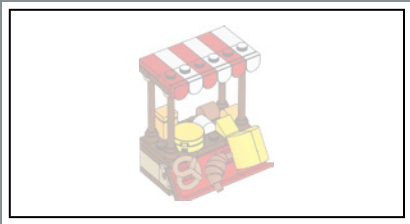

HENRIK RUBIN SAABY
Senior Designer LEGO®

Le message de votre historien LEGO®

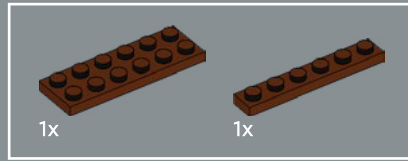

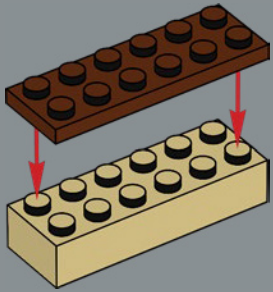

« Lorsque nous avons décidé de relancer ce thème populaire, notre souhait était de rester le plus fidèles possible à la période médiévale et d'intégrer des détails qui, en plus d'être esthétiques, nourrissent votre « récit intérieur ». Nous introduisons de nouveaux personnages, tels que le percepteur d'impôts de la reine et l'aubergiste, ainsi qu'une toute nouvelle fonction : trois bâtiments reliés par des charnières afin que vous puissiez exposer votre modèle selon l'angle qui convient le mieux à votre étagère ou à votre imagination. »

L'échelle et la trappe permettent d'accéder facilement à l'atelier du charpentier. (Utilisez le levier de déverrouillage situé du même côté que la commande de la grue.)

Cette tapisserie vous semble familière ? Le motif de la dernière création de la tapisserie repose sur une scène de tournoi de joute populaire visible dans le château LEGO®, modèle 375, de 1978.

Le chat joue un rôle très important en éloignant du village les souris et autres rongeurs embêtants. Il est donc normal qu'il reçoive un peu de lait pour ses efforts.
